Shine a Light

Those early-morning meetings just got a bit more bearable. The Trust SpotLight is an easy-to-use webcam that uses 6 LED's to shine a light on your face, making you look great. The lights are dimmable, so you can easily adjust it just the way you like. Even in low-light conditions.

Plug and play

The Trust SpotLight Pro Webcam is made to work without hassle. Just plug and play. The 640x480 resolution and the integrated microphone makes sure everything you say and do is picked up, while the universal stand provides flexibility. It doesn't matter if you place the SpotLight on top of your monitor or on your desk, just focus on your videocall.

Stand strong

The stylish design of this webcam also features a smart stand. You can put the webcam on top of your laptop screen or simply place the webcam on a flat surface for stable and secure video imaging.
